

CAT. 6 PATCH CORD

CAT. 6 SHIELDED PATCH CORD

High speed RJ45 patch cord with overall shield that retards cross-talk and provides conductive patch for earthing.

FEATURES

- UL Limited Power (LP) Certification for Power-over-Ethernet(POE) applications
- Specified to 250MHz
- LSHF(Low-Smoke-Halogen-Free) & PVC outer jacket are available
- 24awg or 26awg stranded bare copper
- Suitable for 1000 Base-T, 100 Base-T, 10 Base-T(IEEE 802.3) application
